

Application for Assistance with Bussing Costs

Thank you for your interest in attending a Center Stage Performance or Field Trip at the Center. Please fill out the application below for funding consideration. Your application will be reviewed by the Museum & Education Department at the Center, and you will be notified within two weeks if your application was granted. In order to qualify for a Center-sponsored bus, the bus must be full. Please coordinate with other teachers so that we can fully maximize the students' exposure to the arts. If your request is granted, your office manager will be responsible for booking transportation and processing the invoice.

We are grateful for the generous funding by The David T. & Dorris E. Staples Foundation, and The California Arts Council, for making this program possible.
