To schedule your tour, please fill out the following information:

Tour Group Name _____

Teacher/Contact Name _____

Number of classes _____

Number of students per class _____

Preferred Tour dates _____

*We suggest two classrooms visit per day, however we can be flexible

Does your group have any special needs or accommodations we should be aware of? _____

Would you like to add an art lesson? _____

Museum tours and art lessons are approximately 1 hour each.

You need a minimum of two hours at the Center if you wish to add an art lesson. We will have one group on the museum tour while the other does the art lesson and then have them switch – do you anticipate needing a twenty-minute snack/bathroom break in between the tour and lesson? Our campus is also adjacent to Grape Day Park – which is a nice space for classes to have lunch at after the field trip.
