NOTES TO FINANCIAL STATEMENTS JUNE 30, 2018

I. SIGNIFICANT ACCOUNTING POLICIES

Note 1: Organization and Summary of Significant Accounting Policies

Nature of Activities

California Center for the Arts, Escondido, Foundation, Inc. (the Foundation) is the combined financial reporting entity for the California Center for the Arts, Escondido, Foundation Inc. (the Arts Center) and its supporting organization California Center for the Arts, Escondido, Foundation Charitable Trust (the Trust).

The Arts Center is a California nonprofit public benefit corporation established to foster development in the community for the performing arts, the visual arts and art education. Its activities include, but are not limited to, conference center activities and sponsoring professional presentations such as plays, theater, ballet, musical concerts, and other similar productions, as well as art or museum exhibits. The major sources of revenue for the Arts Center are ticket sales, food and beverage sales, a management fee from the City of Escondido, and donations.

The Trust is a California non-profit public benefit corporation established to support the Arts Center's activities. It holds and receives titles to collectables displayed throughout the campus of the Arts Center. In addition, it invests assets and distributes earnings from those assets to the Arts Center for operating purposes.

Basis for Combination

The combined financial statements of the Foundation include the operations of the Arts Center and the Trust.

Basis of Accounting

The combined financial statements of the Foundation have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables and other liabilities.

Accounting for Endowment Funds

Financial Accounting Standards Board Accounting Standards Codification ("FASB ASC") 958-205-45 *Donor Restricted Endowment Fund* requires net asset classification of funds subject to an enacted version of the Uniform Prudent Management of Institutional Funds Act ("UPMIFA"), and enhanced disclosures for all endowment funds.

The Foundation has interpreted the law as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment fund absent explicit donor stipulations to the contrary. As a result of this interpretation, the Foundation classifies permanently restricted endowment net assets at the original value of the gift donated to the permanent endowment.

The Foundation has adopted investment and distribution policies for endowment assets that attempt to provide acceptable long-term returns and protect the principal from inflation while assuming a moderate level of investment risk.

NOTES TO FINANCIAL STATEMENTS (CONTINUED) JUNE 30, 2018

Note 1: Organization and Summary of Significant Accounting Policies (Continued)

Board Designated Endowment

As of June 30, 2018, the Board of Trustees had designated \$1,076,158 of unrestricted net assets as a general endowment fund to support the programs and mission of the Foundation.

Since that amount resulted from an internal designation and is not donor restricted, it is classified and reported as board-designated unrestricted net assets.

Revenue Recognition

All contributions are considered available for the Foundation's general programs unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor are reported as temporarily or permanently restricted support and increase the respective class of net assets. Contributions received with temporary restrictions that are met in the same reporting period are reported as unrestricted support and increase unrestricted net assets.

Revenues from ticket sales are reflected in the accounting period in which the event occurs and are netted for group discounts and membership discounts.

Investment income that is limited to specific uses by donor restrictions is reported as increases in unrestricted net assets if the restrictions are met in the same reporting period as when the income is recognized.

Pledges receivable and charitable remainder trusts in the accompanying combined statement of financial position consist of unconditional promises to give, which are recorded at their net realizable value at the time the promises are received. These promises to give are reflected as either current or long-term receivables on the statement of financial position. With the exception of the charitable remainder trusts, all long-term receivables are expected to be collected within five years.

Contributed Materials, Services and Use of Facilities

Contributed materials are recorded at their fair market value where an objective basis is available to measure their value. Such items are capitalized or charged to operations as appropriate. The Foundation received a substantial amount of services donated by volunteers in carrying out the Foundation's program services. No amounts have been recorded for those services, as they do not meet the requirements for recognition in the financial statements.

The financial statements reflect an estimate of the fair rental value of the facilities and equipment, including building maintenance expenses provided by the City of Escondido (City). The estimate of \$4,129,370 was determined by using the square footage of the facilities for the year ended June 30, 2018. The City also paid utilities and long-distance telephone on behalf of the Foundation in the amount of \$956,838.

Cash and Cash Equivalents

Cash and cash equivalents include all highly liquid investments with original maturities of three months or less.

NOTES TO FINANCIAL STATEMENTS (CONTINUED) JUNE 30, 2018

Note 1: Organization and Summary of Significant Accounting Policies (Continued)

Fair Value Measurements

FASB ASC 820 (formerly SFAS No. 157) establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

Level 2 - Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets, and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Accounts Receivable

Accounts receivable are stated at unpaid balances, less an allowance for doubtful accounts. The Foundation provides for losses on accounts receivable using the allowance method. Receivables are considered impaired if full principal payments are not received in accordance with the contractual terms. It is the Foundation's policy to charge off uncollectible accounts receivable when management determines the receivable will not be collected.

Inventory

Inventory consists of food and beverage inventory for the conference center. Inventory is recorded at the lower of cost (first-in, first-out method) or market. Donated items are recorded at estimated fair market value at date of donation.

Property and Equipment

Acquisitions of property and equipment of \$5,000 or more are capitalized. Property and equipment are stated at cost or, if donated, at the approximate fair value at the date of donation. Expenses for maintenance and repairs are charged against operations. Depreciation is computed using the straight-line method over the estimated useful lives of the related assets of 3 to 20 years.

Collections

Collections consist of sculptures and other contemporary art pieces. Collections acquired either through purchase or donations are not capitalized. Purchases of collection items are recorded as decreases in unrestricted net assets if purchased with unrestricted assets and as decreases in temporarily restricted or permanently restricted net assets if purchased with donor-restricted assets. Contributions of collection items are not recognized in the combined statement of activities. Proceeds from deaccessions or insurance recoveries are reflected on the combined statement of activities based on the absence or existence and nature of donor-imposed restrictions.

NOTES TO FINANCIAL STATEMENTS (CONTINUED) JUNE 30, 2018

Note 1: Organization and Summary of Significant Accounting Policies (Continued)

The Foundation occasionally acquires and disposes of art objects in order to maintain a collection that best suits the museum's purpose. The Collections Committee reviews and approves art purchases and deaccessions. Members of the committee follow a conflict of interest policy. Objects in the collection shall be retained permanently in the Museum as long as they continue to serve the objectives and purposes of the Museum, and if the objects can be properly stored, preserved, and used.

Advertising

The Foundation uses advertising to promote its programs among the audiences it serves. Advertising costs are expensed as incurred. Advertising expense for the year ended June 30, 2018 was \$154,270.

Unearned Revenue

Ticket sales and conference center deposits received in advance for future events, and operating advances received from the City of Escondido are recorded as unearned revenue. Recognition as revenue occurs when the event takes place, or when the time period to which the advance applies occurs.

Income Taxes

The Foundation is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and Section 23701(d) of the California Revenue and Taxation Code. The Foundation may, however, be subject to tax on income which is not related to its exempt purpose. For the year ended June 30, 2018, no provision for income taxes has been made.

FASB ASC No. 740 *Income Taxes* applies to not-for-profit organizations because their financial statements contain assertions related to the Foundation's tax exempt status and determination of net earnings subject to unrelated business income tax. Should the Foundation lose its tax-exempt status, it could be subject to interest and penalties. No liability for unrecognized tax obligations was required. As of June 30, 2018, no interest or penalties have been recognized associated with any tax positions.

The Foundation's Form 990, *Return of Organization Exempt from Income Tax*, for the years beginning 2014, 2015, 2016, and 2017 are subject to examination by the Internal Revenue Service, generally for three years after they were filed. Similarly, the Foundation's Form 199, *California Exempt Organization Annual Information Return*, for the tax years beginning 2013, 2014, 2015, 2016, and 2017 are subject to examination by the Franchise Tax Board, generally for four years after they were filed.

Functional Allocation of Expenses

The cost of providing the various programs and other activities has been summarized on a functional basis in the combined statement of activities.

NOTES TO FINANCIAL STATEMENTS (CONTINUED) JUNE 30, 2018

Note 1: Organization and Summary of Significant Accounting Policies (Continued)

Net Assets

The Foundation reports the following classes of net assets:

Permanently restricted net assets – net assets that must be maintained by the Foundation in perpetuity. Permanently restricted net assets generally increase when the Foundation receives contributions with donor-imposed restrictions that do not expire with the passage of time and cannot be removed or fulfilled by the Foundation's actions.

Temporarily restricted net assets – net assets whose use is limited by either donor-imposed time restrictions or purpose restrictions. Time restrictions require resources to be used in a certain period or after a specified date. Purpose restrictions require resources to be used for a specified purpose.

Unrestricted net assets – net assets that are not subject to donor-imposed restrictions; including the carrying value of all physical properties (property and equipment). Items that affect this net asset category (i.e., increase or decrease) include revenue and related expenses associated with the core activities of the Foundation.

Use of Estimates

The preparation of the financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Summarized Information

Selected information regarding the prior year has been included in the accompanying financial statements. This information has been included for comparison purposes only and does not represent a complete presentation in accordance with generally accepted accounting principles. Accordingly, such information should be read in conjunction with the Foundation's prior year financial statements, from which this selected financial data was derived. Some reclassifications have been made for comparability purposes.

Retirement Plan

The Foundation's employees are able to participate in a section 403(b) retirement savings plan. All contributions are made by the employees. The Foundation does not contribute.

Concentration of Credit Risk

The Foundation maintains cash balances at financial institutions located in California. Certain accounts at each institution are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. At times during the year, the Foundation held cash in excess of federally insured limits.

NOTES TO FINANCIAL STATEMENTS (CONTINUED) JUNE 30, 2018

Note 1: Organization and Summary of Significant Accounting Policies (Continued)

The Foundation invests in various types of marketable securities and money market funds. The Foundation has established guidelines relative to diversification and maturities that target certain safety and liquidity risk levels. These guidelines are periodically reviewed and modified. Investment securities in general are subject to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that the changes in the value of investment securities will occur in the near term and that such change could materially affect the amounts reported in the financial statements.

Date of Management's Review

The Foundation has evaluated subsequent events for potential recognition and/or disclosure through December 17, 2018, the date the financial statements were available to be issued.

Note 8: Endowment

The Foundation's endowment is held by the California Center for the Arts, Escondido, Foundation Charitable Trust (Trust) which was established on May 2, 2002, a 501(C)(3) Type III Supporting Organization. It was formed as a means of establishing a permanent endowment fund and to hold and administer certain other assets for the support and benefit of the Foundation in order to further the charitable, educational and artistic purposes of the Foundation. The Trust may support the benefit of the Foundation through grants and contributions to the Foundation. The Trust may also support and benefit the Foundation through the conducting or sponsorship of programs, events or activities which further the specified purposes of the Foundation.

The Foundation's endowment as of June 30, 2018 includes only funds designated by the Board of Directors as endowments; therefore they are reported as unrestricted.

The Foundation classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment and (b) the original value of subsequent gifts to the permanent endowment. The Foundation classifies those funds designated by the Board of Directors as unrestricted net assets.

NOTES TO FINANCIAL STATEMENTS (CONTINUED) JUNE 30, 2018

Note 8: Endowment (Continued)

The Trust Agreement stipulates investment and distribution requirements for endowment assets that attempt to provide acceptable long-term returns and protect the principal from inflation while assuming a moderate level of investment risk. To satisfy its long-term objectives, a substantial portion of the endowment assets are invested with equity mutual funds and marketable equity securities.

The Trust Agreement has a distribution policy whereby distributions can be made for as much of the net income and appreciation of principal of the assets held in the endowment fund as requested by the Foundation in accordance with distribution requests submitted to the Trustee at the beginning of each fiscal year. If no distribution request is received by the Trustee by June 1 of each year, the Trustee shall distribute an amount equal to three and one-half percent (3 1/2%) of the fair market value of the endowment fund. The amount of unrestricted Board-designated endowment funds is \$1,076,158 as of June 30, 2018.

Note 9: Split-Interest Agreements

The Foundation has been named a remainder beneficiary of a charitable remainder unitrust, which was created in 1996, upon the death of the trust settlor. Two income beneficiaries are to receive, first from income and, to the extent that income is insufficient, from principal, a total annuity each year equal to the lesser of the trust income for the taxable year or 12% of the net fair market value of the trust assets determined annually on the valuation date of that taxable year, increased or decreased on a daily prorated basis during short taxable years and the last taxable year. Upon the death of each beneficiary, fifty percent of the remaining principal is to be distributed to the Foundation. A noncurrent asset for the charitable remainder unitrust has been recognized in the amount of \$23,575 as of June 30, 2018.

The Foundation has been named a beneficiary of a life insurance trust, which was created in 2001, upon the death of the trust settlor. During the lifetime of the settlor, the trustee is instructed to pay first from income and, to the extent that income is insufficient, from principal, all the premiums on any and all policies of life insurance on the life of the settlor. If any income remains after those withdrawals, the trustee shall pay or apply for the benefit of the settlor's living children during the lifetime of each of them as much of the net income of the trust as the trustee deems necessary to pay for the health, education, support, and maintenance of each of them. Upon the death of the settlor, the trustee will distribute the sum of \$100,000 or 3% of the value of the trust (whichever is greater) to the Foundation. A noncurrent asset for the charitable remainder unitrust has been recognized in the amount of \$71,068 as of June 30, 2018. The value of the agreement has been discounted using a rate of 5%.

Note 10: Insurance and Contingencies

The Foundation purchased commercial general and automobile liability coverage in the amount of \$10,000,000 with a \$50,000 self-insured retention per occurrence. The Foundation also purchased employment practices liability coverage in the amount of \$2,000,000 per occurrence with a self-insured retention of \$10,000. The Foundation also purchased cyber liability coverage with an affected persons annual policy and program aggregate for all members combined limit of \$3,500,000 with a \$100,000 affected person limit and annual member aggregate and a \$10,000,000 annual policy and program aggregate for all members combined with a \$250,000 annual aggregate limit for each member. The cyber liability policy's self-insured retention amount is \$10,000. The Foundation also purchased workers compensation and employers liability insurance with a limit of \$1,000,000 per accident and per employee.

The City of Escondido owns the Foundation's buildings. Insurance for the buildings is obtained through the City's insurance coverage. The Foundation purchased personal property insurance which includes business income in the amount of \$7,099,027 with a deductible of \$2,500 and fine art insurance in the amount of \$750,000 per loss.
